

1

2 CLAIMS:

3

4 We claim:

5 1. A projection television system comprising:

6 a foldable frame or cabinet,

7 one or more detachable plug-in speakers,

8 a detachable projector,

9 one or more projection mirrors,

10 a viewing screen, and

11 a cavity behind said viewing screen.

12

13 2. The system of claim 1 wherein said foldable frame comprises rigid sections that form

14 into a cabinet when unfolded.

15

16 3. The system of claim 1 wherein said speakers and projector are electrically connected

17 by means of slot connectors and electrical wiring carried in said foldable frame or

18 cabinet.

19

20 4. The system of claim 1 wherein said projection mirrors are detachable from the frame or

21 cabinet.

22

23 5. The system of claim 1 wherein said viewing screen is detachable.

1

2 5. The system of claim 1 wherein said viewing screen is foldable.

3

4 6. The system of claim 1 wherein said viewing screen is flexible and may be rolled up.

5

6 7. The system of claim 1 wherein said projector is suitable for either front or rear
7 projection television.

8

9 8. A method for transporting a rear projection television set comprising:

10 removal of a detachable projector,

11 removal of any other detachable components,

12 folding a foldable frame or cabinet into a compact unit, and

13 latching the entire system together securely for transport.
